Directors, Producers, Voice CAST as well unmentioned employees of Disney & It's Affiliates know who I am and they know a lot of the things I do.

There are many similarities to these Names Not to mention all of them, but a few.

Brenda Chapman: There was a real stronghold on Brenda Chapman, dog the bounty hunters wife, as she ended up with a terminal illness.

Kelly McDonald: These people along with, Kelly, know that I eat at McDonald's a lot.

Setting to the Movie is an Ireland highland. My parents received DNA from Scotland in order to produce a red head child.

They received Genes from the United Kingdom.

The custom of Wedding Planning for a princess and who she marries is not up to the Princess. It is up to the King.

I do not want to get Married due to the Aspects of life and how the Rule of THUMB is laid out in USA.

There are a lot of differences that stop us from becoming the New EARTH THAT God Still Hopes for. Some even have the wrong Perception of what the New EARTH IS ABOUT.
